

Type IC RGBW TuYa APP Wi-Fi 4" Slim LED Recessed Gimbal Light

Part #: PL-D4-B09

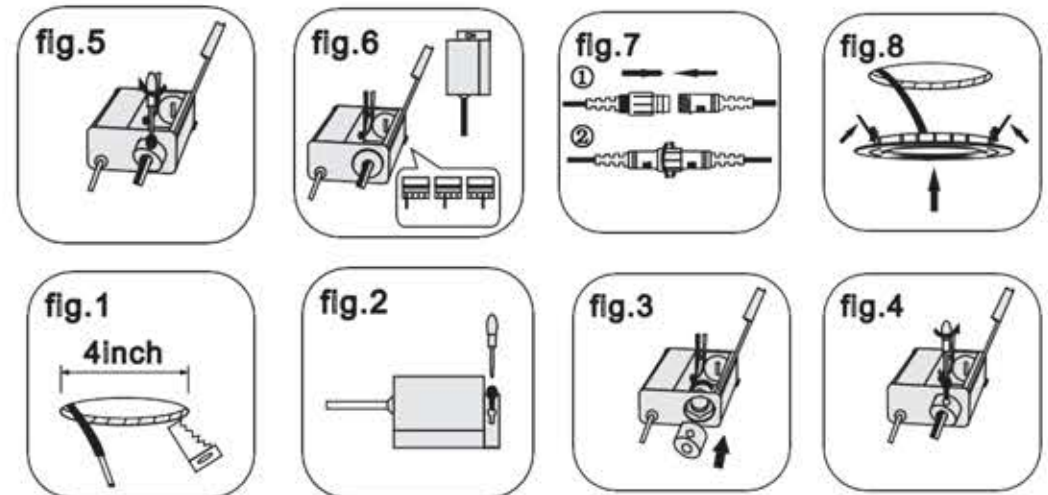

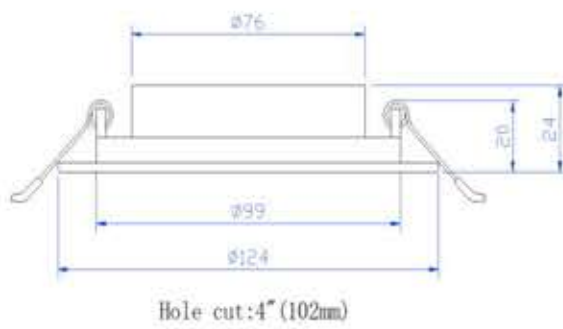

Specifications	
Cut-Out Size	4 inch
Wattage	9 watts
Input Volatge	AC120V,60Hz
Beam Angle	45°
Light Sourece	SMD LED
Color Temperature	RGB W2700K-6000K
CRI	80Ra
Lumens Output	700±5%
Lumen Efficiency	75lm/w
Halogen Equiv.	65 watts
Dimmable	100%-5% (110V only)
Dimming Tech.	WIFI BLE
Cerification	cETLus,Energy Star
Power Factor	>0.9
Projected Life	50,000hrs at 70% Light Output
Warranty	3 years
Approved Location	Damp Locations
IC Rated	Yes
Air Tight	Yes

Feature :

- Use APP "Smart Life" to control light .
- Cool white & warm white with brightness adjustable.
- RGB : 16 millions color with brightness adjustable .
- 8 Dynamic scene : Night,Read,Working,Leisure, Soft,Colorful ,Gorgeo .
- Timing Schedule : sets the time to turn on/off the light .
- Voice control : Compatible with Alexa and Google assistant ,use the simple statements to turn your lights on and off ,make them brightness ,and change them to your favorite color .
- Music and microphone sync :The Rhythm of the game can be changed with the sound or interligent lighting .
